

GLOBAL GYAAN ACADEMY

Institutional Award 2026 — Malaysia

BEST INSTITUTION 2026

One Institution. One Winner. One Global Recognition.

Application Deadline: 5 September 2026

ABOUT THE AWARD

A Global Benchmark for Institutional Excellence

The Global Gyaan Academy Institutional Award 2026 is a prestigious international recognition designed to honour one institution that demonstrates outstanding excellence, innovation, measurable impact and transformative leadership in education.

The award celebrates institutions that go beyond conventional practice to create meaningful outcomes for students, teachers and communities — recognising the institution as a whole, not a single project or achievement.

Evaluation is not based on institutional size, popularity, reputation or years of establishment. The focus is on achievement, evidence of impact, innovation, and the ability to create sustainable transformation.

WINNER SELECTED

Through a rigorous, evidence-based process conducted by an expert evaluation panel — preserving exclusivity, credibility and prestige.

PURPOSE

Vision & Mission

VISION

To build a global culture of institutional excellence where educational organisations continuously innovate, demonstrate measurable impact and inspire meaningful transformation in the lives of learners, educators and communities.

MISSION

- Recognise exceptional institutional leadership and educational excellence
- Promote innovation and future-ready learning
- Celebrate measurable student and teacher transformation
- Encourage technology-enabled, inclusive education
- Highlight institutions creating meaningful community impact
- Inspire institutions worldwide to create greater social value

AWARD PHILOSOPHY

ONE AWARD. ONE WINNER. ONE GLOBAL RECOGNITION.

Unlike awards divided into numerous categories, this award evaluates the overall strength of an institution. The winner demonstrates the strongest combination of:

BEST INSTITUTION 2026

ELIGIBILITY

Who Can Apply?

Open to recognised education-focused institutions, including:

Schools & Educational Institutions

Government & Private Institutions

International Schools

Colleges & Universities

Teacher Education Institutions

**Vocational & Skill Development
Institutions**

Education**

Note: *There are no separate categories or sector-wise awards. Applications may be considered from India, Malaysia and other countries, subject to official requirements.*

EVALUATION FRAMEWORK

What Will the Jury Look For?

A 100-point holistic assessment across nine weighted evaluation areas.

Core Institutional Strength

1

Institutional Leadership & Governance

15

Strength of institutional vision, leadership, governance, planning and commitment to continuous improvement.

2

Educational Excellence & Outcomes

15

Quality of educational practices and evidence of improved learning, academic or developmental outcomes.

3

Innovation & Best Practices

15

Innovative programmes, teaching approaches, systems, technologies or practices that create meaningful improvement.

4

Student Development & Transformation

15

Demonstrable impact on students beyond routine instruction — academic, personal, career and future-readiness.

5

Teacher Development & Empowerment

10

Investment in professional development, mentoring, capacity building, teacher wellbeing and continuous learning.

Reach, Readiness & Proof

6

Technology & Future Readiness

10

Effective adoption of digital tools, AI and technology-enabled, future-oriented educational practices.

7

Inclusion & Community Impact

10

Contribution towards equity, accessibility, inclusion and positive impact on families and communities.

8

Sustainability & Scalability

5

Ability to sustain successful initiatives and demonstrate potential for wider replication.

9

Evidence & Documentation

5

Quality, credibility and completeness of supporting evidence submitted with the application.

TOTAL EVALUATION SCORE **100 POINTS**

EVIDENCE & DOCUMENTATION

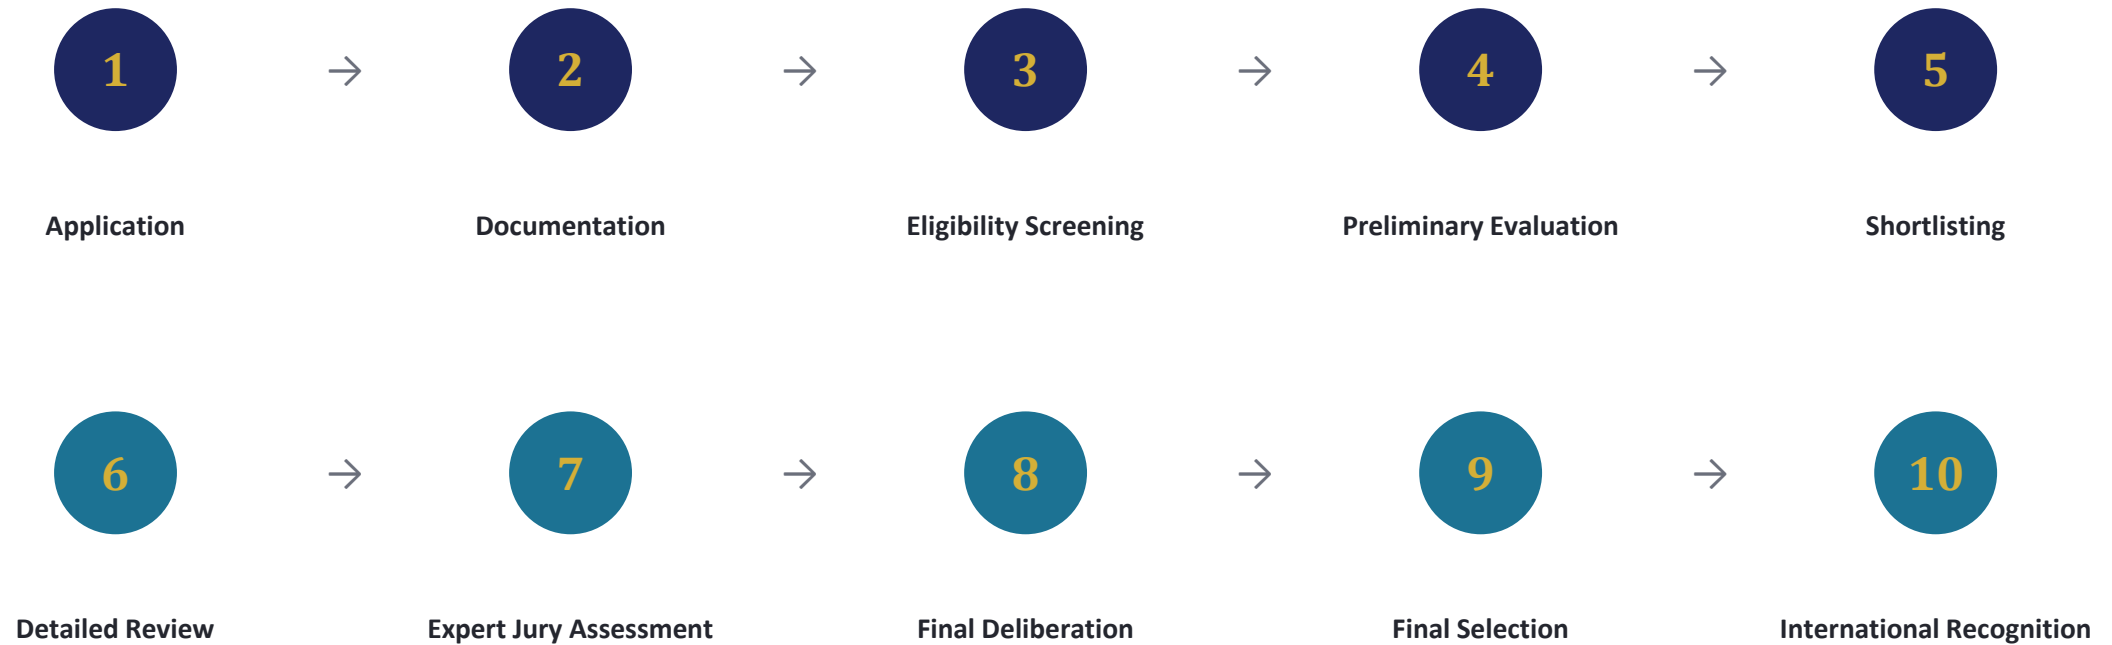

Impact Must Be Demonstrated, Not Merely Claimed

● Institutional profile	● Major achievements	● Key initiatives & programmes
● Impact statistics	● Student outcomes	● Teacher development data
● Community impact	● Project / activity reports	● Photographs & documents

STANDARDS

Integrity & Authenticity

The award is intended to maintain high standards of institutional integrity. Applicants are expected to provide accurate and authentic information.

The organisers reserve the right to request clarification or supporting evidence, and to reject or disqualify submissions containing materially false or misleading information.

Submission of an application does not guarantee shortlisting or winning. Final selection will be based on the established evaluation framework and the decision of the designated jury.

ACCURATE

Applicants provide truthful, verifiable institutional information.

VERIFIED

Organisers may request clarification or additional supporting evidence.

MERIT-BASED

Final decisions rest solely with the designated jury.

THE PLATFORM

Malaysia — An International Stage

Malaysia provides a strategic Asian setting for educational networking, knowledge exchange and international recognition.

The Global Gyaan Academy Institutional Award 2026 – Malaysia brings together institutions committed to educational excellence and meaningful transformation — a platform for sharing achievements, learning from best practices and celebrating institutional leadership.

1

Educational Networking

2

Knowledge Exchange

3

International Recognition

4

Cross-Border Best Practices

Because true institutional excellence is measured by the lives transformed, opportunities created, innovations introduced and impact sustained.
