

GLOBAL GYAAN ACADEMY

INTERNATIONAL CONFERENCE 2026 · MALAYSIA

Research Paper Presentation

Empowering Industry and Education for Global Sustainability

Present your research, innovation, case study or scholarly work before an international, interdisciplinary audience of researchers, educators, industry leaders and policymakers.

CALL FOR PAPERS

Your Research. Your Voice. Your Global Platform.

Global Gyaan Academy invites professors, researchers, industry professionals and students to share their work at the International Conference 2026 in Malaysia — a gathering built around the theme of empowering industry and education for global sustainability.

CONFERENCE

October 2026

FORMAT

Oral · Poster · Forums

FEE / PAPER

₹5,000

AUDIENCE

Global & Interdisciplinary

Research Paper Presentation Fee

Candidates attending the International Conference Malaysia 2026 have an exclusive opportunity to present their research paper by paying an additional fee alongside the conference fee.

CONFERENCE FEE

₹23,000

Approximately RM 1,000 (Malaysian Ringgit)

RESEARCH PAPER PRESENTATION

₹5,000

Per research paper selected for presentation

1 Paper

₹5,000

2 Papers

₹10,000

Note

The ₹5,000 fee is per paper presented, not per author. Where multiple authors are associated with one paper, participation arrangements should be confirmed with the organisers.

What Can You Present?

Research contributions may be submitted in areas including:

1 Artificial Intelligence & Generative AI

2 Industry 4.0 & Industry 5.0

3 Smart Manufacturing & Digital Transformation

4 IoT, Digital Twins & Big Data

5 Green Technology & Climate Action

6 Renewable Energy & Sustainable Industry

7 Circular Economy & Resource Efficiency

8 Future-Ready Education & Skills

9 AI in Education & Digital Learning

10 Industry–Academia Collaboration

11 Entrepreneurship & Innovation

12 Future of Work & Workforce Development

13 Sustainable Development & Responsible Technology

Accepted Paper Types

01

Research Paper

Original empirical or theoretical work with a clear methodology.

02

Review Paper

Critical synthesis of existing literature on a chosen theme.

03

Conceptual Paper

New frameworks, models or ways of thinking about a problem.

04

Case Study

In-depth analysis of a real-world project, organisation or event.

05

Innovation Paper

New technologies, products, prototypes or applied solutions.

Research Paper Selection Criteria

01

Relevance

Clearly relates to the conference theme or a thematic track.

02

Originality

Demonstrates an original idea, finding, approach or contribution.

03

Research Quality

Clear problem statement, sound methodology, logical findings.

04

Practical / Academic Value

Useful insights or solutions for education, industry or sustainability.

05

Clarity

Presented in a clear, structured and understandable manner.

06

Evidence & Support

Claims backed by data, literature, analysis or case evidence.

07

Innovation & Impact

Preference for meaningful innovation and practical application.

08

Presentation Quality

Ability to communicate research effectively to a global audience.

Benefits of Research Paper Presentation

1

International Exposure

Present your research before an international audience of educators, researchers, industry professionals and academic leaders.

2

Present Your Research

Get an opportunity to formally present your findings, ideas, innovations or case study.

3

International Recognition

Gain recognition as a contributor of research on an international academic and professional platform.

4

Presentation Certificate

Receive a certificate recognising your Research Paper Presentation, subject to conference requirements.

5

Global Networking

Connect with researchers, educators, universities, industry professionals and fellow presenters.

Benefits of Research Paper Presentation

6

Research Collaboration

Explore opportunities for future research projects, institutional partnerships and international collaboration.

7

Knowledge Exchange

Share your findings while gaining exposure to emerging research, technologies and international practices.

8

Professional & Academic Profile

Strengthen your academic or professional portfolio by presenting at an international conference.

9

Industry–Academia Connection

Connect research with real-world industrial, educational, technological and sustainability challenges.

10

Future Opportunities

Build connections that may support future research, publications, collaborations and professional growth.

ELIGIBILITY

Who Can Present?

The call is open to a wide, interdisciplinary community:

Professors

Associate Professors

Assistant Professors

Teachers & Faculty Members

Researchers & Scientists

Ph.D. Scholars

Postdoctoral Researchers

Industry Professionals

Engineers & Technology Experts

Entrepreneurs & Startup Founders

Policymakers & Consultants

UG & PG Students

How You Can Present

Depending on the conference programme and selection outcome:

1

Oral Presentation

Present your research findings to an international audience.

2

Poster Presentation

Showcase your research through a structured academic poster.

3

Young Researcher Forum

A platform for emerging researchers and Ph.D. scholars.

4

Student Research Forum

Opportunity for undergraduate and postgraduate researchers.

5

Industry Case Study

Present practical industry experiences, challenges and solutions.

6

Innovation Showcase

Present emerging technologies, prototypes, products or solutions.

TIMELINE

Important Dates

Exact conference dates and venue details will be communicated to registered participants.

Important Note

Acceptance is Reviewed

Submission of a paper does not automatically guarantee acceptance for presentation. Papers and abstracts are reviewed according to thematic relevance and the applicable evaluation criteria.

Fee is Per Paper

The ₹5,000 fee is charged per paper presented, not per author. Where multiple authors are associated with one paper, participation arrangements should be confirmed with the organisers.

TAKE THE NEXT STEP

Submit Your Research

Get Reviewed · Present · Network · Get Recognised

PRESENTATION FEE

₹5,000 per paper

- 1 Prepare your abstract in line with the thematic tracks
- 2 Submit before 28 August 2026
- 3 Complete registration by 15 September 2026
- 4 Present in Malaysia, October 2026

Thank You

We look forward to your research at the International Conference 2026, Malaysia
